

TECHNICAL SHEET

IGP COMTE TOLOSAN

"Authentique"

(dry white)

Nicolas Roumagnac has joined his uncle Jean-Paul Roumagnac in 2011. In the continuity of the domain evolution, the young winemaker has decided to entirely restructure the wine characteristics, the packaging, and the sales strategies.

Thanks to its exponential and quick development, the Domaine Roumagnac is now proud to be ranked among the leading properties of the appellation. It extends over 20 hectares and produces authentic wines which express the subtleties of their terroir and appellation.

In AOP Fronton, the star of the show is the Negrette. A native grape variety not grown anywhere else in the world. It covers 50% of the domain, and gives a wine abundant in aroma (red fruit, liquorice) and low in tannin.

Grape varieties: 90% Sauvignon blanc, 10% Chardonnay

Alc. by vol.: 12,5% Vol.

Harvest and vinification:

Parcel selection.

Mechanical harvest unique for destemming the grapes directly during the harvest.

The grapes are then directly put into resin tanks.

Average yield of 50hl/ha.

Tasting notes:

Beautiful pale yellow color with green tints.

The newest addition to the "Authentique" range has a very expressive nose of honey, acacia and white flower.

A lively attack on the palate. The finish is slightly acidic and leaves a nice sensation of freshness.
